

Photograph Authorization

On occasions, the school faculty may take photographs during field trips and school events. These photos are used for classroom scrapbooks, promotional displays, local newspapers, and school website.

If you do not wish to have your child(ren)'s photograph taken for these above purposes, we ask that you to indicate that below. *If we do not receive this completed form we will assume consent.*

Internet Use Authorization

- The students will be closely monitored by the teacher while using the internet.
- Only educational websites will be allowed and selected by the teacher.
- Students are expected to work within the guidelines and expectation given to them by the teacher.
- Any student who violates any of the above polices will be denied access to the internet for two weeks following the incident and parents will be notified.
- Any Student who exchanges inappropriate websites that he/she may have access to outside the school will face a penalty that will range from after school detention to being suspended from school for a period that will be determined based on the severity of the violation.

We would like to make sure that our students are computer literate by the time they get to high school. We will make sure that the internet gets used properly and no violations will be tolerated.

-
